Stow, MA 01775

Dear Chris Deignan;

The Massachusetts Department of Environmental Protection's (MassDEP) Drinking Water Program is pleased to extend its congratulations to the Kids A Lot Daycare for its outstanding performance in 2014 as a public water system. Your system has achieved one of the top scores in the Non-Transient Non-Community System category of the 2015 Public Water System Awards Program.

MassDEP realizes that it is no easy task to keep up with the ever-evolving federal and state drinking water regulations. While most systems strive just to comply with the regulations, your system has put forth an extra effort for many years. Please join us on May 5 in Gloucester to celebrate Drinking Water Day when you will be presented with your award.

MassDEP encourages you to continue this level of excellence in carrying out your work of protecting and supplying safe and fit water to our citizens. If you have any questions regarding the Awards Program, please contact Marie Tennant at 617-292-5885 or at Marie.Tennant@state.ma.us.

Congratulations,

Yvette DePeiza, Program Director
Drinking Water Program
